

WAUPUN UTILITIES/WPPI ENERGY \$1,000 ELECTRIC LINE TECHNICIAN TRAINING SCHOLARSHIP

High school graduates may be eligible to win a \$1,000 scholarship. Applicant must be a high school student at time of application. To qualify, the student's parents or legal guardian must be a customer of Waupun Utilities and/or reside in the City of Waupun when the application is submitted. Dependents of Waupun Utilities' personnel are also eligible to apply. Scholarship criteria, information, and application form can also be found on our website at:

www.waupunutilities.com

The Application Process

Any high school senior who plans on attending an Electrical Power Distribution Program, preferably at one of the five Wisconsin Technical Colleges that offer courses, may complete a student application form available in their school Guidance Office. **Interested applicants should note this is a very popular program and some schools in Wisconsin have waiting lists.**

The application requests the student's name; name of their parents or legal guardian; address; phone number; and the high school they are attending. The applicant is required to attach a recommendation letter from a teacher, counselor, or employer that addresses the applicant's skills that are pertinent.

Criteria & Award

The Waupun Utilities Scholarship Review Committee will evaluate the applications, and the scholarship will be awarded in May.

The Deadline

Application forms must be submitted to Eric Kostecki at Waupun Utilities no later than April 9, 2021.

Payment

Payment of the scholarship to the winner will be done in two installments: the first installment will be paid after proof of registration is provided to Waupun Utilities; the second installment will be paid after completion of the Electric Power Distribution Program.
