

GARBAGE AND RECYCLING UPDATE

GFL ENVIRONMENTAL will be the new waste and recycling collection services provider **BEGINNING JANUARY 1, 2023**, in the City of Waupun.

The services provided will continue to be curbside service with carts for both trash and recycling, similar to what is currently provided.

As part of the contract with the City, GFL will provide new trash and recycling containers to each eligible household unit. The delivery of these carts will begin on December 12, 2022.

PLEASE DO NOT BEGIN USING THE GFL CARTS UNTIL YOUR LAST COLLECTION FROM WASTE MANAGEMENT ON DECEMBER 26-28, 2022.

WASTE MANAGEMENT WILL START TO REMOVE CARTS THE WEEK OF DECEMBER 26TH. THE OLD CARTS NEED TO REMAIN CURBSIDE AND EMPTY AFTER YOUR PICK-UP THAT WEEK. THE CARTS WILL BE REMOVED AFTER THEY ARE SERVICED.

What does this mean?

- GFL will deliver new trash and recycling carts to each eligible household starting December 12, 2022.
- Inside the recycling cart, there will be a service flyer showing the collection calendar/map, service information and contact information for the services beginning in 2023 (Please note that there will be no change in your collection day)
- Trash will be collected weekly; recycling will be collected bi-weekly (every-other week).
- GFL will continue to provide the bulky item collection similar to the past.
- Please review the service information flyer inside the recycling cart for additional guidelines and contact information.
